

**PURPOSE**

To manipulate the lock dogs on a BKO style top no-go / bottom no-go style lock mandrel to allow dogs to collapse and assembly to be removed from a profile, or tubing collar.

The Extended B Probe allows all lock dogs of a selective (type S) to be retracted if necessary.

**PRECAUTIONS**

Ensure that the probe body does not get worn down to far to prevent lock dogs from retracting properly.

**Extended B Probe**

Nominal Size	1.50"/2.062"	2.00"	2.50"
Assembly Number	0703BEX20601	0703BEX20001	0703BEX25001
